

## EASY GARLIC-LEMON SCALLOPS

### Ingredients

- ¾ cup butter
- 3 tablespoons minced garlic
- 2 pounds large sea scallops
- 2 tablespoons fresh lemon juice
- 1 teaspoon salt
- ½ teaspoon pepper

### Directions

1. Melt butter in a large skillet over medium heat. Stir in garlic and cook for a few seconds until fragrant.
2. Arrange scallops in a single layer in the skillet; cook until golden brown on one side, about 2 minutes. Turn scallops over using tongs and continue cooking until firm and opaque, about 2 minutes more. Transfer scallops to a platter, reserving butter in the skillet.
3. Whisk lemon juice, salt, and pepper into butter; pour sauce over scallops to serve.
